LARC

Stracks/Ultra Checkout Challenge

During the month of March, your **ILLINOIS Strack & Van Til** and **Ultra Stores** will be asking customers as they check out if they would like to donate to the Developmental Disabilities Month Check Out Challenge. **ALL MONEY DONATED FROM ILLINOIS STORES** will be donated to LARC. Last year the check presented at the appreciation dinner amounted to almost **\$7,000.00**. We are hoping that participation will increase this year.

Please tell all of your friends that for the month of **MARCH** to shop at **ILLINOIS Strack's** and **Ultra Stores** and donate that extra dollar to help support the programs that go on at LARC.

The stores you should shop at are located in Calumet Park, Crestwood, Chicago Heights, Downers Grove, Forest Park, Joliet, Kankakee, in Chicago on Kedzie Avenue, Lombard, Wheaton and of course our local store on Torrence Avenue in Lansing.

LARC would like to thank Strack and Van Til management for the generous donation and hosting the checkout challenge again this year. The funds will help programs at the LARC workshop throughout the whole year.

**A QUARTERLY PUBLICATION ABOUT LARC
FEATURING THE ACCOMPLISHMENTS OF THE PEOPLE
WE SERVE, OUR EVENTS AND ACTIVITIES.**

Another Busy Year Here at LARC

Heroes are very special people in our society. They are people who give of themselves to help others, people who serve to protect everybody in various ways either within our country, state and city and also overseas working in the military. Heroes are also people who save lives of the ill and elderly when a crisis presents itself. Finally, there are everyday heroes who seem to fly under this radar and often go unnoticed and under appreciated. These are the people LARC would like to acknowledge with this year's Appreciation Dinner theme **EVERYDAY HEROES**.

The dinner will be held on **Friday March 24** at **Villa Cesare** in Schererville, IN. The evening begins at 6:00 p.m. with a cocktail hour and hors d'oeuvres, 7:00 begins the program followed by clients and staff awards and more. There is also a silent auction, premier silent auction, pick-a-prize raffle, cash raffle and another raffle where a person can win a week at a condo on the Gulf of Mexico for a week and \$500 in VISA gift cards to use for spending. Finally, there will be a DJ for dancing. Reservations are \$50 if purchased before February 24 and \$60 if purchased after.

On May 6, LARC partners with First National Bank and marches in the Lansing Chamber Good Neighbor Day Parade down Ridge Road and Torrence Avenue. LARC thanks FNB for allowing LARC to be part of their float as they have for a long time.

The second fundraising event is the Walk-A-Thon which is held on **Sunday May 21**. At this event, LARC asks supporters to raise funds for programs at the workshop by requesting "walkers" to get pledges for their 2 mile walk around the neighborhood west of the workshop showing support for the agency. Lunch is provided and matching t-shirts are available for purchase.

The busy summer continues with the **Nelson's Chicken Drive Thru** on Thursday June 22. LARC uses the **First Church (PCA)** parking lot at the corner of **Burnham Avenue and Ridge Road** and serves 1/2 broasted chicken, port-a-pitatoes and cole slaw dinners. **NEW THIS YEAR, HALF SLAB RIB DINNERS ARE AVAILABLE TOO!!!!**

In early August, the **LARC GOLF OUTING** will take place. This event is held at a private course and the day includes 18 holes of golf, two all-you-care-to-eat meals, beverages on the course, two hour cocktail time after golf, prizes, gifts, raffles, skins game and more. If you cannot make it to golf, there are many sponsorships available too.

On **August 19** Thunder Road Productions brings the Annual Car Cruise to LARC again this year. The day includes grilled hamburgers and hot dogs made by volunteers, staff and Board Members, Board of Director Stella Torres' famous walking tacos, Mancino's Pizza by the slice, raffles and more. There are beverages available for purchase, prizes for the car owners and more. There is **NO COST** to bring your car to show it. This year, we are moving the show to the grass field behind the workshop for a more private and scenic setting and this will allow for more parking on the property for guests.

For the first time ever, on **September 29** the LARC Fish Fry will provide a pre game buffet/ tailgate party for **T.F. South** families, staff and supporters before their football game. LARC will provide a special room for South fans where they can tailgate, eat **Glenwood Oaks** fresh cooked lake perch, shrimp and chicken strip dinners. Partake in a variety of beverages to get their "game face" on and still make kick off for the home football game. We are hoping that many fans will stop by LARC for dinner that night. The colors for this year's shirts will be South's red and gray.

SAVE THESE DATES AND PLAN ON ATTENDING ONE OR ALL OF THESE EVENTS.

President's Message

By Carol Szymanski

Dear LARC Family, Friends, and Supporters,

The annual Appreciation Dinner is unquestionably LARC's biggest event. It is our major fundraiser. It is the time and place where clients, those that serve LARC, and those that are dedicated to LARC are publicly recognized and honored. It is only fitting that this year's theme of the Appreciation Dinner is "Every Day Heroes."

Many heroes and their heroic acts are publicly lauded. Many more, however, very quietly go about being heroes on a daily basis, seemingly unnoticed. We have quite a number of these individuals at and associated with LARC, and I for one am glad that we take the time each year to recognize and reward them.

First and foremost, each and every LARC client is a hero to us. They are all living their lives richly and fully, not held back by their disabilities. Families of LARC clients are our second line of heroes. For a lifetime, they have cared for, taught, and advocated for our clients. Once clients participate in programs or live at LARC, they encounter heroes in the form of our direct care, supervisory, and administrative staff. These individuals tirelessly serve for the good of our clients, not for personal recognition or gain. Individuals and businesses in our community complete acts of heroism when they support LARC, donate to LARC, or provide jobs for our clients. Finally, our Board of Directors is heroic in decision-making concerning LARC's services, finances, and future directions.

We are putting out the call for new heroes. Please join the LARC Avenger squad! It doesn't matter if you are made of iron, carry an indestructible shield, or can sling webs. You can be a hero to us in a much simpler way. Just be there. Donate a little of your time, buy a Scrip card, walk in the walk-a-thon, admire classic cars at the Car Cruise, play a round of golf, drive through for some chicken, eat some fish. Each every day contribution makes you a hero to us.

I hope to see you all at the Appreciation Dinner Friday, March 24th. Wear your capes!

Sincerely,

Carol Szymanski

LARC Mission Statement

LARC will provide supports and services that promote quality, dignity and choice and will assist individuals with developmental disabilities achieve outcomes of independence in their lives.

WELCOME MEGAN

LARC had a new client move into one of our group homes this past December. Megan M. moved into CILA 4 on 15th and fit right in. She had previously lived in a CILA at an Agency located in Will County; however, her family wanted Megan to be a little closer to them. After having a tour of our workshop and CILA, she chose to live at LARC.

Megan has a lot in common with her three new housemates. She has made a lot of friends in her short time at LARC and has been enjoying all of the activities that our residential department offers, such as bowling, the Lansing Youth Center, Thornton Township dances and payday dinners. Megan loves playing on her ipad, coloring and talking to her friends. She is really enjoying her jobs at the workshop and earning a paycheck.

We are very happy to have Megan as part of our family here are LARC!

FRED

Last year was a tough year for LARC, and the beginning of this year wasn't much better. LARC recently lost a long time client, Fred Janik, who passed away on January 6th. Fred started at LARC back in 1966, just 10 years after LARC was established. He received his **50 year award** last year at our annual Appreciation Dinner. Fred loved all Chicago sports teams and had t-shirts of most of the teams. At the beginning of each season, Fred would ask for a schedule so he could follow along all of the teams. While at LARC, Fred attended various events including the Bears, the White Sox, the Chicago Auto Show and especially the race track. He loved going to the race track and watching the horses race. Fred could often be found walking around the workshop, visiting the staff in the front offices.

Fred will be truly missed by everyone at LARC.

EXECUTIVE DIRECTOR'S MESSAGE

BY LORA HURLING

If we had no winter, the spring would not be so pleasant; if we did not sometimes taste adversity, prosperity would not be so welcomed”

Anne Bradstreet

It is clear that life tends to move forward in cycles at times bringing opportunities and rewards; and at times bringing struggles and challenges. While this is true of nature itself, life's sequences are not generally as consistent as the seasons; they do however bring both times of joy and of disappointment. If we are wise we will remember that no matter how long the winter, spring is sure to follow.

This too is true for agencies such as LARC as we provide services to individuals with disabilities. At times our winters are long as we depend largely on funding through state government and live with the reality that funding all too often falls short of the growing cost of doing business. We frequently face unfunded mandates that present what appear to be insurmountable challenges. We have times where sadness enters in all too often as we lose individuals that are a part of us, be it clients, family members, staff, or loyal supporters. It is at those times that we are most thankful for the love and support we feel from those around us as they offer their time or resources to see us through.

We are fortunate that while the winters of our lives can be long and trying, they can also of course offer occasions for growth and accomplishments. Here at LARC this can be seen as we establish new programs such as our new senior service department and procedures such as our focused training during down time that will better meet our mission. While this winter has certainly brought sadness and challenges it has also introduced us to new staff members that bring with them fresh viewpoints and perspective. We have been fortunate enough to also reconnect with previous customers who are ready to bring in new contracts for our clients to work with.

Much like the process of going through the winter season that nature offers, we spend our winters working through the challenges that continue to be presented with and preparing for the opportunity to welcome our spring. We look forward to the change of seasons where we can flourish in all of the new and exciting opportunities set in place and look forward to the knowledge that no matter how long the winter, our spring will follow. We are grateful to all of you who help us weather the winter and look forward to celebrating our spring with you.

Saying Good-bye and saying Hello

It is true that one thing that appears to remain constant is change. This spring we are bidding farewell to two individuals who have long been a part of the LARC family, or should I say to their employment here is coming to an end. The time has come for the Hayes' to look to retirement. **Linda Hayes** joined LARC as a part-time Program Instructor in 1982. Over the years her role here at LARC continued to grow as she moved into the Q position serving as facilitator of services to those we serve. Her next move was to serve as the Program Director where she became part of the management team and where she assumed responsibility for overseeing the work of our day programming. Coordination of training also fell under her

responsibility where she helped insure the agency remained in compliance to the every changing regulations. She has served on or chaired the Social Transition Committee and the Human Rights Committee. Through the many changing roles she has filled, she remained an advocate for those we serve. While her final day of employment was on February 17th, Linda will remain involved with LARC and plans to continue serving on our Human Rights Committee. Linda's husband **Jim Hayes** joined the agency in 2002 as Contract Coordinator where he assisted in coordination and communications related to the contracts that come into the workshop for client completion. Jim's responsibilities in this role also included not simply transporting, loading, and unloading materials for jobs but staging, storing, and moving the work within the agency. As is true of all employees here, he was also subject to the ever present "other duties as deemed necessary" and Jim was always willing to pitch in with whatever he was asked to do. Jim too is now leaving his position here at LARC to join Linda in retirement. They will be missed and are wished all the best in whatever life now offers as they spend time together and with family and friends.

We are now also pleased to welcome **Jenny Frigo** into the position of **Program Director**. In 2000 Jenny came to LARC as an intern and it was LARC's good fortune that she remained as a full time employee. Since that time, Jenny has served as QIDP/Service Facilitator in the Program Department. Over the past 17 years, she has been a consistent asset to the agency in the all that she does and a strong advocate for not only those on her caseload but for all those served by the agency. Having worked closely with Linda over the years we feel confident that she will continue on in her new role with the same high standard that she has shown throughout the years.

We are also pleased to welcome **Bonnie Gronendyke** as **Senior Services Director**. You may recall from last summer's issue of our newsletter that the agency is now developing a new department to focus on the changing needs of our seniors. Bonnie joined us on January 9th and comes to us with not simply the desire but the experience that will help her lead these efforts in both our day programming and our residential services as some of our clients are identified as needing to move into that next focus of care. She is committed to help both the agency and the clients navigate through the ever changing needs they will experience.

So as we say good-bye to the daily involvement of Jim and Linda Hayes and wish them well as they move forward, we say hello to Jenny and Bonnie and look forward to working together with them as we continue to provide services to those very special individuals known as our clients.

ID BRACELETS

LARC would like to thank **Lori Fields** and the **Lansing Police Department** for coordinating the “**EMERGENCY IDENTIFICATION BRACELET PROGRAM**” for our program participants.

The Emergency identification bracelets are for Lansing Senior Citizens (60 years of age and older), individuals and children with disabilities or special needs are available through the LPD. The bracelet program has been developed for identification purposes in the event of an emergency so that the individual maybe safely and quickly identified by responding emergency personnel. They also contain medical information to help first responders more quickly assess a situation and provide better care.

For LARC CILA (Community Integrated Living Arrangements) residents, it will allow first responders to contact LARC personnel and the appropriate house when a situation arises. For day program participants, it will allow them to have contact information for family members and the LARC workshop so all appropriate personnel are notified.

Having the Lansing Police helping do this for the almost 100 program participants at the workshop is a great benefit. This is just another way that the community helps LARC to provide the best care possible for all who attend programs associated with the agency.

For more information about this program or to sign somebody up for this program please contact the Lansing Police at (708) 895-7128 Monday thru Friday from 8:00 am to 3:00 pm to schedule an appointment.

THANK YOU LANSING POLICE AND LORI FIELDS for your help.

Lucas House Ramp

In April, 2016 Rosland Yeates and her son Anthony moved into a home in Lansing, unfortunately, the front door was not wheelchair accessible. Anthony is wheelchair bound and a very large man, so getting him in and out of the chair and house quite a challenge. They researched various options on how to make this process easier as the family would come and go multiple times each day, including when Anthony was scheduled to come to LARC to attend the workshop.

After much research, and many phone calls, Thornton Township came to the rescue for the family. Through the assistance of Bill Bogdan (who has a brother who also attends LARC) an arrangement was made where the Township would build the ramp for the family. As the picture shows, this beautiful structure has made the house more accessible for them and vastly improved the quality of life for Anthony.

THANK YOU BILL AND THORNTON TOWNSHIP FOR HELPING THEM OUT!!!!

DATES TO REMEMBER

April 11—LARC General Membership Meeting 7:00 p.m.

May 21-LARC Walk-A-Thon

August —Annual Golf Outing

August 19—Annual LARC Car Cruise

September 29 LARC Fish Fry in conjunction with TF South High School

Among our Christmas Blessings are those who continue to remember us

For a number of years now, **Board President Carol Szymanski** has coordinated the students and faculty from **St. Xavier University** as well as staff, board members, and friends of LARC to make Christmas a little brighter for some of our clients. We happily shared Christmas wish lists with her and in the days leading up to Christmas we received a mountain of gifts to be shared with those we serve. Once again this Christmas we received a room

filled with gifts ranging from coats, to games, to shoes, to electronics, to gift cards, and much more. The delight we see on the faces of those opening their gifts always brings a smile to our faces and reminds us how fortunate we are to have such caring and generous people involved in our mission. We continue to offer our most sincere thanks to all those who participated in the program again this year. You succeeded in making Christmas just a little brighter for many.

Parents & Friends

Once 40 years ago, the world lost a legend...

Come relive the magic of his music through 'The Essence of Elvis'

The Parents and Friends of LARC proudly present our **SIXTH Annual 'Essence of Elvis'** benefit featuring Joe Elvis Tirrito in concert on **Friday, August 11th**. The event will be held at the Knights of Columbus Hall located at 178th & Lorenz Avenue in Lansing. Ticket sales begin on Monday, May 1st for just \$20, which includes a buffet-style dinner prior to the show. Coffee, tea, and water will be provided and a cash bar will be available. There will be reserved seating. For ticket information, please call Kathy at 708-539-6995 or send an email to: parentsandfriendsoflarc@yahoo.com.

The Parents and Friends of LARC also had the honor of serving a special luncheon to the clients on Tuesday, February 14th to celebrate Valentine's Day. We had a wonderful time and enjoyed seeing the clients' excitement at this special party. A big thank you to those who were able to help: **Kathy Mack, Sue Rodzen, Diane Garner, Doris Jones, Barbara Kornas, Kathy Brown, Jodi Brown, and Mary Kay Cannek**. We would not be able to pull this off without the help of all of our volunteers.

To find out how you can help, please contact **Jodi at 708-589-5803** or just come and join us the **second Monday of every month** at 1:30pm in the client lunchroom. We offer you monthly support group meetings, guest speakers, an opportunity to meet new friends, and a forum to share your experience with others. All are welcome to attend.

Your support and participation is so much appreciated.
